

Georgia VEX Robotics Summer Bridge Battle Tournament

Saturday June 28, 2008

Announcing the organization of the Georgia Vex Robotics Bridge Battle Tournament. This is an off season VEX robotics competition for interested teams to continue competing through the off season in Georgia. Established FTC/VEX teams as well as rookie/novice teams are highly encouraged to participate. Discounted registration is available for rookie and Middle School age teams. Veteran teams bringing a rookie team to compete will have the registration fee reduced to \$25 for both teams. The game Description, competition documents, drawings and game animation can be found at the link at the bottom of this page.
